Cookies Policy

A **cookie** is a file which is downloaded to the end user´s device to store and recover browsing information.

On this website we use cookies to analyze end user´s behavior with the aim of offering **a better service adapted to your needs.**

If you disable these cookies, the website will still run perfectly.

We use **our own cookies** for session settings, for instance, to save browsing options for your next visit such as **not to show the cookie message on your next visit.**

We use third party cookies for web analytics and they are provided by Google Analytics. They offer use information on the number of visitors, browsers used, website traffic, most viewed pages, devices used for browsing, exit pages, etc.

If you choose to disable the cookies, you need to change your browser´s settings:

Internet Explorer:
http://windows.microsoft.com/en-us/internet-explorer/delete-manage-cookies

Mozilla Firefox:
https://support.mozilla.org/en-US/kb/enable-and-disable-cookies-website-preferences

Google Chrome:
